Lie to me just one more time and maybe, I'll believe
you,
Promise me the world and what you're saying now is
true,
You cant hold me down.

Kicking and screaming like a child,
I'm out of control i'm running wild,
Kicking and screaming and I want more,
I've done things you cant ignore,
So drag me around swing me out the door.

Stab me in the back i've grown accustomed to the
feeling,
Time is ticking slowly, I feel older, but i'm dealing
You cant drown me out.

Kicking and screaming like a child,
I'm out of control i'm running wild,
Kicking and screaming and I want more,
I've done things you cant ignore,
So drag me around swing me out the door,
Kicking and screaming.

Please don't marry me,
Until you're sure im really dead,
And don't complain to me,
'Cause you won't get my sympathy.

Kicking and screaming like a child,
I'm out of control i'm running wild,
Kicking and screaming and I want more,
I've done things you cant ignore,
So drag me around swing me out the door.

Kicking and screaming like a child,
I'm out of control i'm running wild,
Kicking and screaming and I want more,
I've done things you cant ignore,
So drag me around swing me out the door,
Kicking and Screaming.
