Where do you wanna go
what do you wanna do
What do you wanna see
Moutain Dew yeah
I think it's getting late
and I can't stand up straight
I feel thirsty I could use a different taste tonight

Moutain Dew in my head and on my mind
Moutain Dew in my head and I'm doing fine

Moutain Dew in my head and on my mind
Moutain Dew in my head can opens ahh

Moutain Dew in my head and on my mind
Moutain Dew in my head and I'm feeling fine

Moutain Dew in my head and on my mind
Moutain Dew in my head and I'm feeling fine
