"My Mom Still Cleans My Room"

I'm not always nice, not always mean
My room has never been seen clean
The way I feel is not always how I seem
The thoughts that form inside my brain
Don't always seem to entertain, 'cause when I tell my
company
They think there's something wrong with me

You don't know me like you think you do
You don't understand me and it's true

I'm getting older day by day
Ain't got time to get to everything
Hold on tight, enjoy the ride
Life is short so live it wisely

I'm not always sick but often tired
Sometimes I'm having fun or wired
I don't have someone, someone to call my own
I'm not full of all the answers
I guess that I'm an okay dancer
I just want to be left alone

You don't know me like you think you do
You don't understand me and it's true

I'm getting older day by day
Ain't got time to get to everything
Hold on tight, enjoy the ride
Life is short so live it wisely, live it wisely
