I can't hold back, I can't relax, I can't let go, I can't say
no

Can't take the time, can't make you mine

Can't know for sure, can't find the cure

And what does this all mean? And after all I've seen

I'm gonna prove it to the world

I'm gonna prove it to the world

I'm gonna prove it to the world

So here I go

Can't ascertain, I can't refrain, I can't decline, I won't
fall behind

I won't sit down, I won't leave town, I can't deny and I
won't cry

And what does this all mean?

And after all I've seen

I'm gonna prove it to the world

I'm gonna prove it to the world

I'm gonna prove it to the world

So here I go

I'm gonna prove it to the world

I'm gonna prove it to the world

I'm gonna prove it to the world

So here I go

I'm gonna prove it to the world

To all the boys and girls

I'm gonna prove it to the world

To all you boys and girls

I'm gonna prove it to the world

I'm gonna prove it to the world

I'm gonna prove it to the world

So here I go

So here I go

So here I go

So here I go
