They just point the finger, they don't care
They don't think I know you think, yeah you think
Where did I go wrong? What did I do?
Where did I conflict with, yeah with you?

You can't tell me that you care
When you're never ever there
I don't ask a lot from you
You've got better things to do
You've got better things to do

I thought I knew you, I don't know
Do you just want me to go? 'Cause I'll go
Actions over words to you I'm nothing
You seem so far away where are you today?

You can't tell me that you care
When you're never ever there
I don't ask a lot from you
You've got better things to do
You've got better things to do

You can't tell me that you care
When you're never ever there
I don't ask a lot from you
You've got better things to do
You've got better things to do

Don't just leave me in a box
Then walk away
Don't just put me in a box
For a rainy day

Don't just leave me in a box
Then walk away
Don't just put me in a box
For a rainy day
For a rainy day
