I don't know what to do  
I don't know what to say  
It hurts me to let go  
When she looks at me that way  
Oh, can't she see  
What she's doing to me?

I thought that she was mine  
I guess I was wrong  
It seems she's changed her mind  
Looks like she's moved along  
Oh, can't she see  
What she's doing to me?

Couldn't understand  
What she was trying to say  
I finally figured out that I was in her way  
Now I'm okay

She wasn't too down  
With the rock and roll scene  
She wasn't too down  
With the pain that it brings, oh yeah  
She sprouted wings and flew away

I don't know what to do  
I don't know what to say  
It hurts me to let go  
When she looks at me that way  
Oh, can't she see  
What she's doing to me?

Couldn't understand  
What she was trying to say  
I finally figured out that I was in her way  
Now I'm okay

She wasn't too down  
With the rock and roll scene  
She wasn't too down  
With the pain that it brings, oh yeah  
She sprouted wings and flew away
