"Screw Loose"

I'm going crazy
I feel like punching walls
I may need medication
But that's not all

I've got a screw loose somewhere deep inside my head
It's pushing on my eyes, I'm strapped down to a bed

I'm really messed up
How did i get this way?
I've gotta break something
Just to feel ok

I've got a screw loose somewhere deep inside my head
It's pushing on my eyes, I'm strapped down to a bed

I'm going crazy
I feel like punching walls
I may need medication
But that's not all
