I've lost all words to say, drivin' everyone away
Am I really all that bad or am I going mad?
I'm a face from yesterday, I'm always in the way
Hidin' all my pain, it's driving me insane

If you feel this way, each and everyday
There's got to be somethin' more
You want your like to change, somethin's got change
So live for somethin' more

No one ever calls, you're sick of it all
Your friends don't come around, they all let you down
What's gotten into you? There's nothin' you can do
To make it all seem right, so why put up a fight?

If you feel this way, each and everyday
There's got to be somethin' more
You want your like to change, somethin's got change
So live for somethin' more
