they guarantee our freedom but freedom isn't real  
unless you know Christ you won't know how i feel false  
finite ways of thinking false fiction they're believing  
inflections of the way things were supposed to be the  
mental disorder of our society entropy is still  
promoting chaos it's chaos, it's your loss your failed  
system is inducing chaos maybe this world has  
stopped thinking it's chaos, it's your loss maybe all  
their minds are shrinking common sense, logic, science,  
a humble self esteem taking what the world has  
offered, but you forgot the pack building, moving  
forward never looking back live to die and die to gain,  
about the selfish scene
