No I'm not mad but I think they forget

What it's like and how hard it is to be a teenager

This is a new day and age, we read a different book

Where Elvis ain't the rage and polyester ain't the look

And will we change at all when we get old?

Or will we be the same? Never do what we're told

Well that depends on you, are you doing the right thing?

It's not about control, it's about you and me and understanding

Teenage politics it's too confusing

Politics politics it's too confusing x2

Is it time again to disagree

About anything and everything and what's on tv

It's a vicious circle, never ending

A linear equation worldly extending

Teenage politics it's too confusing

Politics politics it's too confusing x2

No I'll never be like you I'll never ever be like you

Oh no! x2

I'm just like you!
