Went to a garage sale, what did I see?  
My dream come true, in front of me  
Three dollar special, it's my bike now  
He's my best friend, though I don't know why

We climbed trees together  
We picked up chicks  
We're best friends forever  
Now I gotta blow my nose  
We had some good times, but I can't remember  
And a lot of bad times, like when we squished my dog  
I can remember when his seat smelled like a block of  
cheese  
I tried to eat it, but then I threw up in my shoe
