We're all walkin' down a dusty road
I wouldn't care to bear the load
I know my limits but you won't leave my alone

It's a system unopposed
For those of us who won't say no
Your time is your own now, face the facts are real
'Cause they are real

Establishing lines always comes first
So many don't realize the pain they cause

We're all walkin' down a dusty road
I wouldn't care to bear the load
I know my limits but you won't leave my alone

It's a system unopposed
For those of us who won't say no
Your time is your own now, face the facts are real
'Cause they are real, yeah

Establishing lines always comes first
So many don't realize the pain they cause
