I need the kind of girl that knows
A girl that likes to wear my clothes
Someone who always buys me coke
A girl who laughs at all my jokes

That's the girl that I want to see
Fall in love with me
That's the girl that I long to know
Oh, how I love her so

I'm looking for a girl who writes me songs
And talks to Jesus all day long
And the way she does her hair
No one else can compare

That's the girl that I want to see
Fall in love with me
That's the girl that I long to know oh
Oh, how I love her so

I'll probably meet her at a show
And when I look at her I'll know
That she's the boo-boo one for me
And with her I will always be the one for me

She's the only one, one for me, one for me
She's the only one, one for me, one for me
She's the only one, one for me, one for me
She's the only one for me
