Every night I get down on my knees and pray
I thank the Lord above for you each day
I was lost and then I found you
You make my ocean, you make my sky blue

You make me smile
You make me sing
You make me scream
You make me, everything
You make me, me

What blessings has the Lord stored up for me?
You are the answer to that mystery
I was lost and then I found you
You make my ocean, you make my sky blue

You make me smile
You make me sing
You make me scream
You make me, everything
You make me laugh
You make me cry
You make me live
You make me die
You make me, me

Height won't separate us from this love
Depth can't separate us from this love
Can't separate from this love

You make me smile
You make me sing
You make me scream
You make me, everything
You make me laugh
You make me cry
You make me live
You make me die

These days so few seem to have faith
In the son of man and in his grace
I feel your breathe upon my face

As you replace, my broken wings

You make me sing

You make me scream

You make me, everything

You make me, me

You make me, me
