I found it hard to believe, someone like you came for  
me

You put this love in my heart

I tried, I could, I refused, you gave me no time to  
choose

You put this love in my heart

I wanna know where the bad feelings go  
When I'm depressed and I get down so low  
Then if I see you calling to me, it's all right

I wanna tell you right now, I'm not afraid to say how  
You put this love in my heart  
There's sometimes when I doubt but you offer me out  
You put this love in my heart

'Cause when I see that you died for me  
So when I was down I had to believe  
'Cause you following her, proving all your love

And I know the loneliness I've had before  
In God now, I never feel it anymore  
'Cause your lovin' has released me  
From all that is in my past

So much more I could say, if I could just find a way  
You put this love in my heart  
It's all so thrilling to me, I feel so good I could scream  
You put this love in my heart

I wanna know where the bad feelings go  
When I'm depressed and I get down so low  
Then if I see you calling to me, it's all right

You put this love in my heart  
You put this love in my heart  
You put this love in my heart

You put this love in my heart  
You put this love in my heart  
You put this love in my heart
