A smile that can stop the heart
An embrace that joins two lovers
The world couldn't tear apart
Eyes pierce the soul
And a life made complete
By the angel I hold

Do you remember
What it feels like to fall in love, yeah?
Well I remember
What it feels like to fall in love
Since I saw you

A voice that sounds like home
When the stars fell like rain
And your heart became
My only reason to keep believing
Life could be so good

Do you remember
Do you remember
What it feels like to fall in love, yeah?
Well I remember
What it feels like to fall in love
Since I saw you

Do you remember x7
Well, I remember I remember
what it feels like to fall in love
since I saw you
since I saw you, yeah
to fall in love
fall in love
