And the phone it rings without a pulse
But I can't wait, I can't wait for the truth
'Cause I know it won't come from your lips

And the sound it makes its way down through the hall
And into my, and into my room
And I don't know what to do
'Cause I can't wait, I can't wait for the truth

Don't sleep, don't sleep so sound tonight
(Don't sleep, don't sleep so [Incomprehensible])
'Cause the town still sleeps the same
With you away

Don't wake, don't drown the thoughts you like
(Don't wake, don't drown your thoughts)
Because everything is fine without you

And I finally found the nerve to hear
Your pulses, game of pulses racing
Over and over again
(Over and over again)

"Over and over again", she said
I won't begin to ask you why you're leaving
Why you did those things you did
Why you said those things you said

Don't sleep, don't sleep so sound tonight
(Don't sleep, don't sleep so [Incomprehensible])
Because the town still sleeps the same
With you away

Don't wake, don't drown the thoughts you like
(Don't wake, don't drown your thoughts)
Because everything is fine without you

And your lights go out
Yeah, it's so much easier to breathe
And my last farewell to you
Might as well be said right here, right now

Don't sleep, don't sleep so sound tonight
(Don't sleep, don't sleep so [Incomprehensible])
Because the town still sleeps
The same with you away

Don't sleep, don't sleep so sound tonight
(Don't sleep, don't sleep so [Incomprehensible])
Because everything is fine without you
