And the phone, it rings without her voice  
but I can't wait, I can't wait for the truth  
Cause I know it won't come from your lips  
and the sound it makes its way down through the hall  
and into my, into my room,  
and I don't know what to do  
cause I can't wait, I can't wait for the truth

Don't sleep, don't sleep so sound tonight  
(Don't sleep, don't sleep so sound)  
cause the sound still sleeps  
the same with you away

Don't wake, don't drown the thoughts you like  
(Don't wake, don't drown your thoughts)  
because everything is fine without you

And I finally found the nerve to hear your pulse is  
gaining  
pulse is racing, over and over again  
(over and over again)  
over and over again she said  
I won't begin to ask you why you're leaving  
(why you're leaving)  
why you did those things you did  
why you said those things you said

Don't sleep, don't sleep so sound tonight  
(Don't sleep, don't sleep so sound)  
cause the sound still sleeps  
the same with you away

Don't wake, don't drown the thoughts you like  
(Don't wake, don't drown your thoughts)  
because everything is fine without you

And your lights go out,  
yeah the air's so much easier to breathe  
and my last farewell to you  
might as well be said right here, right now

Don't sleep, don't sleep so sound tonight

(Don't sleep, don't sleep so sound)  
cause the sound still sleeps  
the same with you away  
Don't sleep, don't sleep so sound tonight  
(Don't sleep, don't sleep so sound)  
because everything is fine without you
