

My American Heart **"Last Goodbye"**

We came to our conclusions
We came to what we thought would never end
And your second thought
My second guess
And after all the fallen
You caught your mess

And I can't fade away like that

The days are growing colder
Spend my life just figuring out
Why I laugh, or how I'm getting older
Regret tonight
And i'll regret my life
I swear this is your last goodbye

What do you expect
When you expect the worst
It's not what I wanted
I thought you were her
Worth every word that I said
I'm worth every word that I... said
And I cant fade away... like that

The days are growing colder
Spend my life just figuring out
Why I laugh, or how I'm getting older
Regret tonight
And i'll regret my life
I swear this is your last goodbye

Hearts don't break,
They Just Bend
And Im not coming back
Say goodbye, say goodbye
I swear this is your last...
