If you could read between the lines  
You would know that  
Times not on our side  
Gotta go the world is moving  
Moving  
Gotta go the world is moving  
Way too fast

So now what can I say?  
Let's focus  
Let's focus

We can runaway  
(We can runaway)  
We can runaway  
(We can runaway)  
There's no reason why we should stay  
We can runaway  
(We can runaway)  
We can runaway  
(We can runaway)  
There's no reason why we should stay

It's time to draw the line  
Cross the borders  
And cross the signs  
We live the lives to save ourselves  
It's time to draw the lines  
Cross the borders  
And cross the signs  
We live our lives to save ourselves

So now what can I say?  
Let's focus  
Let's focus

We can runaway  
(We can runaway)  
We can runaway  
(We can runaway)  
There's no reason why we should stay  
We can runaway

(We can runaway)  
We can runaway  
(We can runaway)  
There's no reason why we should stay

If we get there  
We'll be okay  
If we get there  
We'll be okay

So now what can I say?  
Let's focus  
Let's focus

We can runaway  
(We can runaway)  
We can runaway  
(We can runaway)  
There's no reason why we should stay  
We can runaway  
(We can runaway)  
We can runaway  
(We can runaway)  
There's no reason why we should stay
