"We Are The Fabrication"

We waited seven hours by the sea
For the taste of ecstasy

In a life we live with trails and trees
We swallowed them whole right down our bellies
Soon enough our eyes grew wide
Soon enough we had the time to feel alive
To feel alive
It felt so

Right now we'll start you're brand new life
They started screaming don't go

Right now we'll start you're brand new life
The pills, the pills made them realize!

WE ARE THE FABRICATION!
WE ARE! WE ARE!
WE ARE THE FABRICATION!
WE ARE! WE ARE!
WE ARE THE FABRICATION!
WE ARE! WE ARE! WE ARE! WE ARE! WE ARE! WE ARE!
