baby im just going to be real right now
oooooo
and i know what you're going through
i been through it before and
i'm here for you
listen

Verse 1

Girl i know the things you feel
i felt the same way too
overtime your heart will heal
i promise this to promise is to you
Girl I've waited way to long to tell you this
I'm so in love with you
all i can do is hope that you feel the same way too
Girl i could fall back in love with you
and over and over again

Chorus

Your broken heart
could lead to you and me
together forever
for better or worse baby trust when i say
I'll heal your broken heart
ooo girl. your broken heart
yeahhhh yeah yeah yeah yeah ohhhh

Verse 2

Girl i heard the things he said
wasn't meant for you
girl i saw the tears you shed
i know what you've been thru
girl i fell in love with you
the moment that i laid my eyes on you
all i can do is hope that you
feel the same way too
girl i can fall back inlove with you
over and over and over again

Chorus

Your broken heart

could lead to you and me
together forever
for better or worse baby trust when i say
i'll heal your broken heart

Bridge

Girl i see the questions in your eyes
though its hard to trust me
im not that guy
im the answers to your prayers

Chorus

Your broken heart
could lead to you and me
together forever
for better or worse baby trust when i say
i'll heal your broken heart
ooo girl your broken heart

ohhhh
