Hey Carolina, here's your song
Girl forgive me that it took so long
Caramel eyes and your Venus lips
You, you make me tremble to my fingertips
You walk like a princess
You talk like a bird
You, you got me hangin' on your every word

Here it comes

You got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alright
You make me feel so right tonight I gotta say hey hey

You sip your wine from a silver spoon
We'll make time in the afternoon
Your strawberry cheeks and alabaster skin
You feel so right, girl, you make me wanna sin
Your teeth just like a little flock of sheep
Your legs go all the way down to your feet, yeah, hey
hey

You got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alright
You make me feel so right tonight I gotta say hey hey

Hey hey yeah
You got me feeling right
You got me feeling right
You got me feeling right

Well your breath's like wine,
You got me feeling so fine
Your breath's like wine,

You got me feeling so fine
Your breath's like wine,
You got me feeling so fine

I'm feeling, I'm feeling,
You've got me screaming hey hey

You got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alright
You've got me feeling alright, yeah
You've got me feeling alright, yeah
You've got me feeling alright

You know you make me wanna
Oh I gotta say it
You make me feel so right tonight I gotta say hey hey
Hey hey
Oh hey hey
Yeah hey hey
