Well, it's sad, sad songs that I have been holding on to
And it's one more day that keeps me alive
All of these black, black skies rollin' on over me
Well, I need something good maybe just sympathy

'Cause it's only fool's gold that I have been finding
And it's only fool's gold that I have found

And these roads I've been traveling are takin' me home
again
I'm looking round for something that's gone
Maybe I'm a fool, fool just singing my songs

Just spending time, time rning on empty
Well, I cannot stay this way forever
All of these dreams I've had only be telling me
That I need something good maybe just sympathy,
yeah
Sympathy, yeah

It's only fool's gold that I have been finding
And it's only fool's gold that I have found

And these roads, I've been traveling are takin' me
home again
I'm looking 'round for something that's gone
Maybe I'm a fool, fool just singing my songs

This time won't last forever, oh no
This time won't last for long
But I cannot stay this way forever
Maybe I'm a fool, fool just singing my songs

Well, it's sad, sad songs that I have been holding on to
Well, I need something good or maybe just sympathy,
yeah

Maybe I'm a fool, fool
Maybe I'm a fool, fool just singing my songs
Maybe I'm a fool, fool
Maybe I'm a fool, fool just singing my songs
Maybe I'm a fool, fool just singing my songs
