You think you've heard this before
I'll try and say it differently
As long as it comes naturally to me
It's been makin' me sad
'Cause I can't find a better way
To speak the words I want to say to you

Know I love you
Know I need you

That I want you to know
I won't let you down
No I can't let go
And I want you to see
Everyday I wear my heart on my sleeve
On my sleeve

It's been driving me mad
Consistent tones and constant drones
Keep pulling me back inside my head
Nothing matters at all
The world will keep on spinning around
All these feelings keep on pouring out

Oh I love you
Oh I need you

And I want you to know
I won't let you down
No I can't let go
And I want you to see
Everyday I wear my heart on my sleeve

I try to write the words down
Before they're lost and won't come out
Oh please help me save my soul

And I want you to know
I won't let you down
No I can't let go
And I want you to see
Everyday I wear my heart on my sleeve

Heart on my sleeve

Heart on my sleeve, heart on my sleeve
No I can't let it go, can't let it go
Oh I want you to know
Won't let you down
Everyday, yeah, I can't let go
I wear my heart on my sleeve

I wear my heart on my sleeve
