The first time I met you
Your eyes full of pain
Alone in the world
And treated so cold

Close your eyes
And rest in my arms
But I know you could never
Feel something more

Oh, you were defensive
You were inventive
By the way you've been fooling me

This is Goodbye
Honey, this time it's true
And for the first time in a long time
I ain't got you
This is Goodbye
Woman, I'm missing you
Yeah, Oh I do

Tear down your wall
Just give me your hand
Don't you feel like tomorrow
It has been planned
I let you be
And just set you free
Knowing forever
Was never you and me

Oh, you were defensive
You were inventive
By the way you've been fooling me

This is Goodbye
Honey, this time it's true
And for the first time in a long time
I ain't got you, Oh no
This is Goodbye, Woman

Love ain't enough to keep it alive

You think it's all wrong
But we break down and cry
You're out there alone
Do you still sing my song
Know that I'm forever here

This is Goodbye
Honey, this time it's true
And for the first time in a long time
I ain't got you, No

This is Goodbye
Honey, this time it's true
And for the first time in a long time
I ain't got you, Oh No
This is Goodbye
Woman, I'm missing you
