There's a light
A certain kind of light
That never shone on me
I want my life to be
Lived with you, lived with you
There's a way
Evreybody say
To do each and every little thing
But what does it bring
If I ain't got you, if i ain't got

You don't know what it's like
Baby, You don't know what it's like
To love somebody, to love somebody
The way I love you
In my brain
I see your face again
I know my frame of mind
You ain't got to be so blind
And I'm blind, so very blind
I'm a man
Can't you see what I am
I live and breathe for you
But what good does it do
If I ain't got you,if i ain't got you
You don't know what it's like
Baby you don't know what it's like
To love somebody, to love somebody
The way I love you

You don't know what it's like
Baby, You don't know what it's like
To love somebody, to love somebody
You don't know what it's like
Baby, You don't know what it's like
To love somebody, to love somebody
The way I love you
