Buddy you're a boy make a big noise
Playin' in the street gonna be a big man some day
You got mud on yo face
You big disgrace
Kickin' your can all over the place

We will we will rock you
We will we will rock you

Buddy you're a young man hard man
Shoutin' in the street gonna take on the world some
day
You got blood on yo face
You big disgrace
Wavin' your banner all over the place

We will we will rock you
We will we will rock you

Ive paid my dues -
Time after time -
Ive done my sentence
But committed no crime -
And bad mistakes
Ive made a few
Ive had my share of sand kicked in my face -
But Ive come through

We are the champions - my friends
And well keep on fighting - till the end -
We are the champions -
We are the champions
No time for losers
cause we are the champions - of the world -
