something 's wrong here
something isn't okay
kids can buy some beer
in every store on their way
young girls dying every day

(pre-chorus):
i'm talking to the ceiling
and i'm waiting a signal
one stupid thing that will show me...

(chorus):
... a new sky
that will be my heaven
the place where i will die
i'm wondering when
will i get away from here
i wanna go...
anywhere but here

sometimes i wanna die
sometimes i wanna cry
'cause our world is up side down
get your feet back on the ground
and you'll see that something is wrong

(pre-chorus):
i'm talking to the ceiling
and i'm waiting a signal
one stupid thing that will
show me...

(chorus):
...a new sky
that will be my heaven
the place where i will die
i'm wondering when
will i get away from here
i wanna go...
anywhere but here

(bridge):
our life just lost all meanings

and everybody just dont care
we have something to do
get the kids out of the streets
and show them...

(chorus):
...a new sky
that will be their heaven
the place were they will die
i'm wondering when
will they get away from here
i know
that they wanna go...
anywhere but here...
