I sat in the dark  
'cause you broke my heart  
you dont feel the same way  
you never wanna run away  
your smile makes me crazy  
and you dont care about me  
i'm always waiting for you  
and hopping youre doing too

(chorus):  
and may be  
if i say " i'm sorry"  
may be  
you'll forgive me  
may be...  
and may be  
you still love me  
may be  
you miss me  
may be...

now you can do  
what i'd never allow you  
it cant be  
'cause you said that you and me  
it was for ever  
but now it's over  
the look in your eyes makes me crazy  
'cause you say that you forgot me

(chorus):  
and may be  
if i say " i'm sorry"  
may be  
you'll forgive me  
may be...  
and may be  
you still love me  
may be  
you miss me  
may be...

(bridge):

you said you'll never come back with me  
i miss you  
i tried to say " i'm sorry"  
but you said "fuck you"

(chorus):

and may be  
if i say "i'm sorry"  
may be  
you'll forgive me  
may be...  
and may be  
you still love me  
may be  
you miss me  
may be.....
