I sought you all night
'cause i cant fight
i looked my tears sink
it's so hard to think
that i could of kepted you
i cant understand you
you sliped out of my hand
and now it's the end

(chorus):
ilove it when you fly
when you shine
when you tear my black sky
like my sunshine
i hate it when you cry
i want you to be mine
but im shy
to ask you if you wanna be
...my sunshine

you held my hand
i didn't understand
why you've let me
and lately you've rid me
it's hard to bear
it's hard to hear
that now you forbid
what i did

(chorus):
i love it when you fly
when you shine
when you tear my black sky
like my sunshine
i hate it when you cry
i want you to be mine
but im shy
to ask you if you wanna be
...my sunshine

(bridge):
you said "no"

and i know
i must go
and let you go...

but i cant 'cause you're my sunshine...
