you are always there for me  
now something's happening  
i think to something we didn't see  
i dont wanna lose a friend  
but i cant handle this anymore

(pre-chorus):  
do you feel the same way ?  
i dont know how to tell you  
all my feelings today

(chorus):  
may be it's impossible  
but since i met you  
i feel something unusual  
something i never feel before  
when you fall in love  
with your best friend  
that's something called  
the wrong love

we did a lot of thing together  
but i want something better  
better than a friend  
I'm scared of the futur  
i'm scared of what will happen

(pre-chorus):  
do you feel the same way ?  
i dont know how to tell you  
all my feelings today

(chorus):  
may be it's impossible  
but since i met you  
i feel something unusual  
something i never feel before  
when you fall in love  
with your best friend  
that's something called  
the wrong love

(bridge):

i dont care if you're gonna break my heart  
i wanna be with you  
and nothing is gonna forbid it to me  
NOTHING !!

(chorus):

may be it's impossible  
but since i met you  
i feel something unusual  
something i never feel before  
when you fall in love  
with your best friend  
that's something called  
the wrong love...
