## "Why ?"

Visit "[Why ?](#)" on [MotoLyrics.com](http://MotoLyrics.com)

i ask the question  
why ?  
i cant accept that decision  
but you said "goodbye"  
i would die  
just to make you see you're wrong  
you look at this guy  
but you dont care if i'm gone

(chorus):  
why did you say "i love you" ?  
why did you want me back ?  
why do you talk in my back?  
yes i ask you...why ?

i said "i'm sorry"  
but you wont forgive me  
i wanna be with you  
'cause i wont forget you  
i tried to talk to you  
but you didnt listen to me  
i'm nothing without you  
could you forgive me ?

(chorus):  
why did you say " i love you "?  
why did you want me back ?  
why do you talk in my back?  
yes i ask you...why ?

(bridge):  
after all we did  
how could you say "its over"  
after all we did  
it's for ever

(chorus):  
why did you say "i love you" ?  
why did you want me back ?  
why do you talk in my back?  
yes i ask you .... why ?

i just want you back  
i cried and i tried  
but your smile  
makes me cry  
and i dont know why.....
