I love you
I need you
but he's here
He's so near
when he'll say "goodbye"
i wanna be the guy
the one who will be more than just a friend
i have a message to send...

(chorus):

I love you
and i hope i'll get you
do you feel the same way ?
i ask it today...
will you feel the same way?
at least one day
will you say " i love you"?
will you say " i need you"?

since you left me
im crazy
i tried to forget you
but thats something i cant do
i'll wait until the end of time
just to make you mine
my love for you has no end
i have a message to send...

(chorus):

i love you
and i hope i'll get you
do you feel the same way ?
i ask it today...
will you feel the same way?
at least one day
will you say " i love you"?
will you say " i need you"?

(bridge):

i'll do anything
and everything

just to get you
just to kiss you

(chorus):

i love you
and i hope i'll get you
do you feel the same way ?
i ask it today ...
will you feel the same way?
at least one day
will you say " i love you"?
will you say " i need you"?
...will you....
