Hey Monday morning, See what you're missing, I can't live my life like this boy, I said hey little lady, see what you're missing, I can't get enough of your love,

she goes...out all alone and out on her own [x4],

how many times do, I have to say this, your match is a light for me babe, I said hey little lady, see what you're missing, I can't get enough of your love,

she goes...out all alone and out on her own [x4],

all alone [x6],

the people [x3], change the way you live now, the people [x3], change the way you live now,

hey Monday morning, see what you're missing, I can't live my life like this boy, I said hey little lady, see what you're missing, I can't get enough of your love,

she goes...out all alone and out on her own [x4],

all alone [x6],

the people [x3], change the way you live now, the people [x3], change the way you live now
