This  
Mountain  
They  
Want to climb it  
Too far  
Too high  
Too hard to climb  
Too far  
Too high  
Too hard to climb

They  
Didn't want to  
They  
Didn't want to  
Too far  
Too high  
Too hard to climb  
Too far  
Too high  
Too hard to climb

This  
Mountain  
They  
Want to climb it  
Too far  
Too high  
Too hard to climb  
Too far  
Too high  
Too hard to climb  
Too far  
Too high  
Too hard to climb  
Too far  
Too high  
Too hard to climb  
To climb
