I was Dreaming of you every night
(I Hunger for your touch)
It's beauty makes me scream...
(Let's Makes this bitch real)
Your picture hanging on my wall
(streamed in my head everyday)
My heart beats like a march
(Come, I'm ready to play)
Enjoy this stupid string
(Ooh no It thrills me out)
Why this world so mean
(Let me show You...)
[Reff]
You my Beloved toy
(Fill in my empty Soul)
Hail my craving doll
(dance till the break of dawn)
Show me how behave
(grab this filthy hand)
I'm just a soiled boy...
