I've stucked in here because your smile
you made my day for a while
and all those time we spent is true
but now there is nothing i can do....

(#)
Kuterkenang pucat wajahmu, menghiasi asa...
yang rapuh, kita bersama, dimasa yang lalu...

Bridge:
Tetap tersimpan, didalam hati..di relung jiwa..
dan kuberdoa..di setiap nafasku..

Reff:
Your heart is bleeding, and so am I..
I will fighting, for your last smile..
now I am broken, because of you..
but I am happy, to be your bulletproof...

(I've stucked in here because your smile!!!...)

Bridge 2 :
Tetap tersimpan, didalam hati..di relung jiwaku..
dan kuberdoa..di setiap nafasku..

Reff 2:
Your heart is bleeding, and so am I..
I will fighting for your last smile..
now I am broken, because of you..
but I am happy, becoming your bulletproof...

Your heart is stopping, and so do I..
I will struggling for your last time..
now I am sleeping near beside you..
this is all I am, your bulletproof...
