I Guess The Weekend's Over Now, And You'll Have To  
Make Your  
Way (Have To Make Your Way)  
We Had A Ball Of Dynamite, Right From The First Day  
(From The  
First Day)  
You Tell Me That You'll Call Me Just As Soon As You Get  
Home  
To Pacify My Heart While I'm Alone  
I Don't Like Bein' Alone

The Things We Did This Time My Love, We've Never  
Done Before  
(Never Done Before)  
You've Made Some Changes In My Head, I Don't Feel  
The Same  
No More (Feel The Same No More)  
Tell Me It's Not Make Believe, This Feeling That You've  
Shown  
To Comfort Me My Love While I'm Alone  
I Don't Like Bein' Alone

Just Think The Times You Left Before, And Me Burnin'  
Up Inside  
(Burnin' Up Inside)  
Somethin' I Can't See No More, Not From My Foolish  
Pride (From  
My Foolish Pride)  
Please Be With Me Honey, All The Times When You're  
Not Home  
To Pacify My Heart While I'm Alone  
I Don't Like Bein' Alone

Hey Hey I Don't Like It  
Bein' Alone  
I Can't Stand It  
Bein' Alone  
Aw Baby  
Aw Baby Babe Baby  
Hey-E-Ay-E-Ay-E-Ay-E-Ay-E-Hey..Lah..Lah
