A pretty girl is like a minstrel show  
It makes you laugh  
It makes you cry  
You go  
It just isn't the same on radio  
It's all about the makeup and the dancing and the  
Oh, a pretty girl is like a violent crime  
If you do it wrong you could do time  
But if you do it right it is sublime  
I'm so in love with you, girl  
It's like I'm on the moon  
I can't really breathe but I feel lighter  
A melody is like a pretty girl  
Who cares if it's the dumbest in the world  
It's all about the way that it unfurls  
A pretty girl is like  
A pretty girl
