Well courtesans  
Shed no tears  
When you leave them  
High and dry  
They just go on  
They just go on  
To the next guy  
'Cause courtesans  
Only want  
Compensation  
For their time  
A few kind words  
A few kind words  
They need not one

A sable coat  
Maybe a hat  
How I wish  
I could be like that  
But courtesans

Are not like me  
They won't take  
Love very hard  
Their hearts are free  
Their hearts are free  
How avant garde

If no one loves them  
When they're old  
They'll sit  
And count  
Their chains of gold  
You say  
You'll love them  
'Til they die  
And they don't care  
If it's a lie  
'Cause courtesans  
Don't believe  
In anybody

But themselves  
And Santa Claus  
And Santa Claus  
And his twelve elves
