Don't look away  
I don't think I could stand it  
So don't look away  
'cause my heart couldn't handle it  
There's a fire in your eyes  
And it's melting the ice  
In my heart  
So don't blink an eye  
They're so beautiful open  
Just let them cry  
Or the spell will be broken  
The moments in your gaze  
Have been turning to days  
In my heart  
We've never met  
And yet  
We're in love  
Never forget  
One look is enough  
Just as long as you  
Don't look away  
We can never be lovers  
There's one chance to take  
There won't be any others  
I'll be spending my life  
With your eyes like a knife  
In my heart
