Time stands still
All I can feel is the time standing still

as you put down the keys
and say don't call me please
while the radio plays

"I Think I Need a New Heart" ohhh

"I Think I Need a New Heart" ohhh

You've lied too
but it's a sin that I
can't tell the truth
cause it all comes out wrong
unless I put it in a song
so the radio plays
"I Think I Need a New Heart"
just for you
"I Think I Need a New Heart"

cause I always say I love you

when I mean turn out the light
and I say let's run away
when I just mean stay the night
but the words you want to hear
you will never hear from me

I'll never say "happy anniversary"
never stay to say "happy anniversary"

so I think I need a new heart ohhh
I think I need a new heart ohhh
I think I need a new heart ohhh
I think I need a new heart ohhh
Give me time
