Now the clock is striking one

So we might as well begin it,

As there's dancing to be done

And our time is not infinite.

If there's such a thing as love,

If there's such a thing as love,

I'm in it.

So you claim you love me too,

Lloyd's of London guarantee it.

Gaze into these eyes of blue,

You do love me I decree it.

If there's such a thing as love,

If there's such a thing as love,

Give me it.

When i was two and a half,

My momma said to me:

"Love is funny you will laugh

'Til the day you turn three."

Like a kitten up a tree

Needs a fireman to rescue it,

So your fireman i will be

And i'll really get into it.

If there's such a thing as love,

(such a thing as love)

If there's such a thing as love,

Let's do it.

I thought i'd known love before

That was not it but I thought it

So I thought i'd win the war

Or I never would have fought it

If there's such a thing as love,

(such a thing as love)

If there's such a thing as love,

I've caught it.

if there's such a thing as love,

(such a thing as love)

if there's such a thing as love,

I've caught it.

If there's such a thing as love,

(such a thing as love)

If there's such a thing as love,

Love caught it.
