

Magnetic Fields "Long-forgotten Fairytale"

Visit "[Long-forgotten Fairytale](#)" on MotoLyrics.com

Someone told me you'd be here
Whispering these familiar things
Talking to my little pet, smoking the same old
cigarettes
~ I would have laughed

I saw you last in summertime
You said you hated long goodbye-y-yes
You said, ~ There's nothing to explain, in
every life a little rain ~
~ etcetera

~ chorus ~

And a long-forgotten fairytale is in your eyes again
And I'm caught inside a dream world where the colors
are too intense
~ and nothing is making sense

There's a floating town of eiderdown in a mist of
mystery
There's an old enchanted castle and the princess there
is me
~ decked-out like a Christmas tree
~ end chorus ~

I guess you've had your little joke
But I have lost my sense of hu-u-mor
My medication's wearing off, for it's just not strong
enough
~ to cover this.

Then you kissed me like before
I found myself wanting more
And you tell that little lie that kept me hypnotized
~ another kiss

~ chorus ~

If somebody told me I'd succumb
If someone said I'd be so dumb
After all the sleepless nights, when I turned on all the
lights

ÃfÂçÂ€Â! I would have hit them

But I have turned the other cheek
My voice trembles, my knees are weak

And you beat me once again
And I know what happens then
ÃfÂçÂ€Â! you raise the ante

~ chorus ~
