I'll linger here your ring upon my finger dear and sing
till dawn
a song of you and me and what and why for time is all I
have to keep
between these walls and half asleep the days go by a
million little
nights and days go by and I don't mind Parades go by
So many beautiful
parades go by Leave me behind I'll sit and stare how
could I venture
anywhere and let the centuries fall where they may but
never die
for I have loved and so I lost the world above beyond
the moss...
