### "Queen Of Savages"

My girl is the queen of the savages  
She don't know the modern world  
And its ravages  
Instead of money she's  
got yams and cabbages  
She lives in a dome  
I don't care if I never get home  
My girl is the queen of the jungle folk  
You should see the things  
We see when we smoke  
We think all of life is a funny joke  
She's sharp as a tack  
I don't care if I never get back  
My girl is the queen of ten villages  
We live on the fruits  
Of her pillages  
She eats other queens,  
She's very religious  
She doesn't use a fork  
I don't think I'll go back to New York
