"Queen Of The Savages"

Visit "[Queen Of The Savages](#)" on MotoLyrics.com

My girl is the queen of the savages
She don't know the modern world
and its ravages
Instead of money she's
got yams and cabbages
She lives in a dome
I don't care if I never get home
My girl is the queen of the jungle folk
You should see the things
we see when we smoke
We think all of life is a funny joke
She's sharp as a tack
I don't care if I never get back
My girl is the queen of ten villages
We live on the fruits
of her pillages
She eats other queens,
she's very religious
She doesn't use a fork
I don't think I'll go back to New York
