"Smoke And Mirros"

Someone else's world goes by
As my train runs through this night
Someone else's rain comes down
But no rain can touch me now
(C): Smoke and mirrors
Special effects
A little fear, a little sex
That's all love is
Behind the tears
Smoke and mirrors
We were foolish, you and I
But there's no reason to cry
We put on a lovely show
But that's all. I had to go
(C)
I don't know the stations' names
I'll spend my life on this train
(C) Fume et miroirs
Effets speciaux
un peu de peur
un peu de sexe
sous les lrmes
L'amour n'est que sa
De la fume et des miroirs
