

Magnetic Fields "The Book Of Love"

The book of love is long and boring
No one can lift the damn thing
It's full of charts and facts and figures and instructions
for dancing
but I I love it when you read to me and you you can
read me anything
The book of love has music in it
In fact that's where music comes from
Some of it is just transcendental
Some of it is just really dumb but I
I love it when you sing to me and you you can sing me
anything
The book of love is long and boring and written very
long ago
It's full of flowers and heart-shaped boxes and things
we're all
too young to know but I I love it when you give me
things and you
you ought to give me wedding rings
I I love it when you give me things
and you you ought to give me wedding rings
